## .22 Rifle Silhouette Results Oak Hills Range 8/12/17

We had 12 shooters who shot 16 rounds in 4 relays. The weather was great, low humidity and light winds. Special thanks to Dan Reints who signed in shooters, prepared score cards and kept general order. Sorry if I misspelled your name. Scores were a bit lower overall, but shooters enjoyed ringing the ones they hit. See you at the next Oak Hills match in 2018. Look for a September match at the Milan Rifle Club. Until then re-zero and clean those rifles!
