High School trap will practice on Tuesday nights from March 7th 2017 through June 6 2017
 Additionally, High School trap Matches are to be held on three Thursdays, dates announced at a later time.

On all scheduled event days, the range will close 30 minutes prior to the stated start times. Ending times are estimated and may periodically run over.

NO FIRING FROM ANYWHERE OTHER THAN BEHIND THE FIRING LINE! So, if the benches are behind you, no shooting. The only exceptions are when in a club directed match at the order of the Range Officer. Examples of this would be the Bowling Pin, Vintage Bolt, and CMP matches.

Range safety is EVERYONE'S responsibility. If you see something dangerous, do something about it. *Dangerous situations need to be stopped first* and reported later. Hurt feelings to another shooter are much preferable to an incident that physically hurts someone or jeopardizes the ability of our club to continue offering a SAFE place to shoot. Again, **Range safety is EVERYONE'S responsibility!**

The pistol range has a safety berm at the far end of the range; this is the mound with the slanted wooden roof above it. It is not designed to be used as a regular backstop. It is *never* to be used as a back stop.

Do not place tin cans, plastic jugs, clay birds, etc. at the base of this berm!
