

At Oak Hills, our formal matches are shot under the sanction of the American Rimfire Association.

For information on ARA, including rules, upcoming matches, past scores, competitors' national rankings, scoring procedures, etc. merely Google "American Rimfire Association".

Our Informal match is conducted similar to the formal matches. We shoot under ARA time limits (20 minutes) and most ARA rules.

As those of you who receive my emails are aware, our Informal shooters shoot at 50 yards at our unique OHIT target.

(I know that the above information is repetitive for most of you, but I keep including it for the benefit of our new shooters.)

BAD NEWS: I wasn't feeling well enough to be your Match Director Saturday. And I had too many symptoms of Covid to risk exposing you.

GOOD NEWS: My Covid test came back negative Saturday afternoon. Apparently I just have a bad sinus infection.

So..... I can't tell you directly what happened at the match. I can tell you that the weather was wonderful, sunny and 80 degrees with light winds. Hopefully you'all had a great time.

I'm sure that Kevin and Scott did a good job as Match Directors for you.

This year, we are shooting two relays of Informal shooters prior to the first relay of ARA shooters. Our registration starts at 0715 and the first Informal relay starts not later than 0815.

This was a 4 target Club Match for the ARA shooters.

We had eight ARA shooters and seventeen Informal shooters. The informal shooters shot a total of 24 targets.

Scores for the ARA shooters are attached. Standings were as follows:

1. Brian Voelker
2. Scott Albury
3. Daniel Bredberg
4. Cecil Peterson
5. Kevin Coss

6. Gene Stroyan
7. Jeff Amidon
8. Dave Brooks

Informal matches consist of only one target (but shooters can reenter as many times as they wish). I record only each shooter's best score.

We have three classes of informal matches --- Semiauto, Sporter, and Vintage. Each shooter's highest score is used to determine his standing in his class.

Winners of the three informal classes were:

Semiauto
