Read the Constitution and The Bill Of Rights!

A well regulated militia, being necessary to the security of a free state, the right of the people to keep and bear arms, shall not be infringed.

The 2nd Amendment to the Constitution of the United States of America

NO FIRING FROM ANYWHERE OTHER THAN BEHIND THE FIRING LINE!

So, if the benches are behind you, no shooting.

The only exceptions are when in a club directed match at the order of the Range Officer. Examples of this would include the Bowling Pin, Vintage Bolt and CMP matches.

Range Safety is EVERYONE'S responsibility. If you see something dangerous, do something about it!

Dangerous situations need to be stopped first and reported later.

Hurt feelings of another shooter are much preferable to an incident that physically hurts someone or jeopardizes the ability of our club to continue offering a **SAFE** place to shoot. Again, **Range safety is EVERYONE'S responsibility!**

The pistol range has a safety berm at the far end of the range (the mound with the slanted wooden roof above it).

It is not designed to be used as a regular backstop. It is **NEVER** to be used as a backstop.

Do not place tin cans, plastic jugs, clay birds, etc. at the base of this berm!
